With 324 rooms and suites spread across three floors, this resort will be tucked away in a beautiful setting surrounded by olive groves and picturesque nature.

A high quality of service, outstanding gastronomy and warm hospitality are our core values”, says Peter Wennel, Managing Director of HMS Hotel Management Services International GmbH. HMS operates as part of the Maritim Group, driving the international expansion of the hotel chain.

“Guests can look forward to a wide range of sports, including tennis, water sports, golf, cycling and fitness programs. What’s more, families, couples and solo travellers can also enjoy two restaurants with large terraces where they can try typical Calabrian cuisine prepared with regional products,” Wennel adds. Three bars, an indoor theatre with an LED wall and an on-site nightclub keep guests entertained in the evenings.

Covering an area of 93,000 square meters, the luxurious resort offers three swimming pools – a heated semi-Olympic pool, a lagoon pool and a children’s pool. Guests who enjoy sports can take advantage of seven clay tennis courts, a multi-purpose court for basketball and volleyball, a football pitch, a bocchia court, a bicycle station, an archery range and a 325-square-meter indoor fitness area. A highlight for water sports enthusiasts is the Nautical Centre, which includes three catamarans and a dozen Optimist sailing dinghies.

The resort’s 4,000 square metre wellness centre invites you to relax with its Turkish bath, three saunas, ice room, hydromassage pool with a relaxation area, massage and treatment rooms and an exclusive spa suite with a hydromassage whirlpool, sauna, relaxation loungers and hammam area.
